[1] The Windsor Regional Cancer Centre Medical Physics Residency program is affiliated with the Wayne State University School of Medicine (Detroit)

[2] **Number Applying** refers to the total number of applicants that have applied to the Program during the calendar year

[3] **Number Certified** refers to residents becoming certified to the level of Member of the Canadian College of Physicists in Medicine (MCCPM), or equivalent international certification (e.g. ABR Part 3 exam) in the given calendar year. For candidates pre-certified before admission to the Ontario program, please only count them in Year 1 of their training in Ontario

[4] **Number Other** refers to the number of residents who secured medical physicist positions of various types including clinical, academic, and industry positions within the calendar year
