Hip and Knee Surgery Survey

Your feedback is very important to us!

Completing this survey before and twice after your surgery will help to track your pain and progress over time, and help us to improve the care and services we provide.

Please keep this card as a reminder of your scheduled survey dates.

Survey: www.msh.on.ca/proms

Honoured to Care!

Below are the three times we require you to fill out a short survey about your care

1. During your Surgical Assessment Clinic appointment
Survey will be completed while at the hospital
2. 90-120 days after your surgery
I will complete the survey in

Month

Year

Survey can be completed online at www.msh.on.ca/proms

3. One year after your surgery
I will complete the survey in

Month

Year

Survey can be completed online at www.msh.on.ca/proms

Thank you for assisting in improving the care we provide!

Care beyond our walls
